Part-time tutor – Keyboard Music

We are seeking to appoint a part-time keyboard music tutor.

The successful candidate will be an accomplished keyboard player and passionate about helping adults learn to play keyboards.

The keyboards we have are Yamaha PSR-E463, so familiarity with the various functions and capabilities of this general type of keyboard is essential.

Experience of tutoring in adult education and a recognised teaching qualification are desirable but for the right candidate we may be able to provide free teacher training leading to a level 3 Award in Education and Training.

The course needs to be attractive to complete beginners and we would hope to provide improvers courses for those who wish to progress from the beginners course. There is no prescribed curriculum and the precise content and structure of the courses will be developed by the tutor, in agreement with the Curriculum Manager. There may also be opportunities to develop other courses, depending on the successful candidate's skills and interests.
