Part-time tutor – Digital Photography

We are currently seeking to appoint a part-time photography tutor.

This is an exciting opportunity to join an outstanding provider of adult education. We are keen to receive applications from anybody able to teach photography to beginners and improvers.

The successful candidate will have a strong background in photography and will be passionate about helping adults learn. Experience of tutoring in adult education and a recognised teaching qualification are desirable but for the right candidate we may be able to provide free teacher training leading to a level 3 Award in Education and Training.

Our digital photography classes are aimed at providing beginners with the technical skills to use the manual controls on their cameras and to capture an effective image using principles of composition. Improvers courses enable more experienced learners to develop their photographic skills including using software for basic image processing.

Redbridge Institute is a vibrant, diverse and supportive learning community. In 2018, the Institute was recognised as 'Outstanding' by Ofsted and in 2019 we were awarded the Times Educational Supplement 'Overall FE Provider of the Year'. We pride ourselves on making teaching and learning rewarding and enjoyable for learners and tutors.

If you would like to find out more about this exciting opportunity to join us at Redbridge Institute, please contact: Andrew Thomas, Curriculum Manager, Health and Wellbeing Tel: 020 8498 8788
Email: Andrew.Thomas@redbridge-iae.ac.uk

For further information and an application form, please visit our website
www.redbridge-iae.ac.uk

We only accept applications on our standard application form which must be emailed to
staffing@redbridge-iae.ac.uk **or posted to be received by Friday 8th January 2021**
